

Re: The school building is closing due to the current state of the pandemic in Southeast Michigan.

Dear Second Home Child Development Center Families,

We have two major priorities for our students: academic excellence and health/safety. Given the current state of the COVID-19 pandemic in the Southeast Detroit area, all students will transition to at-home, virtual learning effective today, Friday, November 13, 2020. Students will begin their at-home, virtual learning starting Wednesday, November 18, 2020. We hope this gives you enough time to secure daytime childcare for your children and obtain needed supplies. We will provide materials and work packets for our families. Materials and work packets will be available for pick up on Monday, November 16, 2020 from 12:00 pm – 5:00 pm as well as Tuesday, November 17, 2020 from 9:00 am - 3:30pm.

Though the building is closed for in-person learning, we will continue to operate virtually with our online classrooms.

The safety of our school family is of utmost importance to us. We currently plan to resume in-person learning on Monday, January 4, 2021. However, this date is tentative. We will use publicly available pandemic data and guidance from the Macomb County Health Department to make our decision.

Thank you in advance for your understanding and continued support of your child's learning. Please email me at michellenighbert@choiceschools.com if you have any questions or concerns.

Your child is so important to us, and we treasure each moment we have with them in-person. Please give them our love and remind them of how special they are to all of us here at Second Home. We look forward to seeing their bright smiles, hearing their laughter, and watching them grow while we are together online. Most importantly, we can't wait to welcome them back with open arms once it is safe to do so.

Thank you,

Michelle Nighbert
Program Coordinator/
Early Childhood Specialist
